Day of October, 2018

**PUBLIC NOTICE**  
The first meeting for the Hood River County Transportation District (HRCTD) State Transportation Im-

provement Fund (STIF) Committee will be held October 5, 2019 at the HRCTD's Columbia Area Transit Facility 224 Wasco Loop from 8:15am - 10:15am. Pursuant to Oregon public meeting law, all STIF meetings are open for public attendance.

and are held in the HRCTD Board of Director's Conference room - which is accessible to individuals in wheelchairs and other mobility devices.

The Committee Agenda will be available online at [catransit.org](http://catransit.org) at least one week before the meeting date. If you require an interpreter or other communication aid at a meeting, please email [info@catransit.org](mailto:info@catransit.org)

The State Transportation Improvement Fund is the revenue source established by the Legislature in the 2017 legislative session to fund transit services throughout the State. It is estimated that Hood River County will receive over \$1M in funds over the next two

years. The Committee's role is to select a priority list of transit projects for this funding. This project list, which must meet the criteria established by the legislature, will be submitted to the State of Oregon on November 1, 2018. Once submitted, HRCTD's STIF Plan will provide guidance for the expenditures of these funds over the two year period.
